Group Representative Assembly Scholarship Application

Scholarships are available to help groups with a financial need offset the cost of sending their Group Representative to Area Assemblies. Scholarships will be awarded as funds are available up to a maximum of 75% of the total expenses. Groups are asked to pay a minimum of 25% of the expenses. If the group has the ability to pay more than 25% they are encouraged to do so in order to make the limited scholarship funds accessible to more groups. Once a group has received a scholarship, their future applications will be considered after those of any new applicants.

The hotel cost should be based on no more than half of the nightly rate for a double occupancy room. Transportation cost should be based on your portion of a carpool whenever possible.

Applications will be reviewed at the District Meeting prior to each event. District Meetings are held on the 2nd Saturday of January, March, May, July, September and November.
